With your cooperation, Jaguar Sport Karate is proud to present a Kick-a-thon and Safety day in Eagle Mountain, Utah.

With your sponsorship, the student presenting this form to you promises to perform **100 kicks per donation** to raise money for the Terry Family. Captain Harold Terry was shot during a traffic stop on June 23rd. He is a 16-year veteran of the Lehi Police Department. ---

The idea for this fund-raiser is to help the family of Capt. Harold Terry a Police Professional who put his life on the line. In Martial Arts we learn how to defend ourselves physically, mentally, and emotionally but when a person is suddenly confronted with tragedy we need to display our true strength. By learning Martial Arts, we first focus and commit to bettering ourselves but that's only half of the true purpose of Martial Arts. The other half is to expand our focus on improvement outward to our fellow human beings.
